

ANTI-BULLYING POLICY

Hardy Mill Primary School recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.

Policy Objectives

- This policy outlines what Hardy Mill Primary School will do to prevent and tackle all forms of bullying.
- The policy has been adopted with the involvement of the whole school community.

- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.

Definition of Bullying

- Bullying is defined as the repetitive, intentional harming of 1 person or group by another person or group, where the relationship involves an imbalance of power.
- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Hardy Mill Primary School recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development.
- Bullying is recognised by Hardy Mill Primary School as being a form of child on child abuse; children can abuse other children.
- Abuse is abuse and it should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".
- We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
- All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

Our Community

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy. Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The DSL will be informed of all bullying concerns. The head teacher, Designated Safeguarding Lead (DSL) or another appropriate member of leadership staff will interview all parties involved.
- A clear and precise account of bullying incidents will be recorded by the school using CPOMS. This will include recording appropriate details regarding decisions, action taken and a review period being set.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Appropriate sanctions and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Integrated Front Door if a child is felt to be at risk of significant harm or via an Early Help.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy, our Online Safety Policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings.

It will be reviewed at least annually, and following any concerns and/or updates to national/local guidance or procedures

Appendix 1 – Steps to follow when responding to a bullying incident

Step 1 – Make sure everyone involved is safe

- a. Record the details
- b. Tell children that you will take it seriously and you will take action
- c. Involve a DSL/DDSL

Step 2 – Try to stop the situation happening again

- a. Be clear the behaviour is not ok
- b. Look at the whole group behaviour – Could anyone become an upstander? Is anyone encouraging the bullying?
- c. Keep checking in even when you think that the bullying has stopped

Step 3 – What can our school do to change?

- a. Think about what the incident has taught you. Do policies need updating? Is there a need for staff training? Or additional learning for classes? Is there an issue with discriminatory language that needs addressing?
- b. Can you stop the incident happening to others in the future?

Step 4 – Implement an effective plan to prevent reoccurrence

- a. DSL/DDSL with children involved to agree goals/ actions that are specific, measurable, achievable, realistic and time bonded (SMART). These goals/actions will include individuals, groups, classes, cohort and/ or whole school as appropriate and will be recorded on CPOMS and shared with all staff involved.
- b. A date and reminder should be set to review the effectiveness of these actions on CPOMS.
- c. Parents to be informed of all actions agreed and in place.

Appendix 2 – Challenging Discriminatory Language

Ask questions

Start by responding to the language with a question, such as “What does that mean?”, or “Can you explain that to me?”. These kinds of open-ended questions let the other person think about their intentions and explain what they meant by it. Sometimes this can be enough to help someone realise that their words have an impact on others, and that they should think about what they mean before they say something.

Challenge the language, not the person

Children and adults makes mistakes and can change their behaviour over time. If someone says something unkind, it doesn't mean that they are an unkind person. The aim of challenging it is to encourage the child/ adult to change their behaviour – try not to focus on what they have done already but instead how they can choose to act differently next time. For example, instead of saying, “You are hurting XXX's feelings by saying that”, try asking, “How do you think that word might make XXX feel?”.

Talk about the personal impact and making it real

Explain to the child/adult “When you use that word it can make a person who is XXX or has XXX family or friends feel bad about themselves.”

Talk about the school policy and ethos

Talk to the child/adult about how hurtful language isn't accepted in our school. Remind them that this is a place where everyone is equal and should be treated with respect.
