1. Aims

This policy aims to:

- **Provide background information** about the pupil premium grant so all members of the school community understand its purpose and which pupils are eligible
- Set out **how the school will make decisions** on pupil premium spending
- **Summarise the roles and responsibilities of those involved** in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the pupil premium [allocations and conditions of grant guidance 2023 to 2024](#), published by the Education and Skills Funding Agency (ESFA). It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so they can reach their full potential.

4. Use of the grant

We will publish our strategy statement on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's [guidance on using the pupil premium](#) and using the templates on GOV.UK.

Our pupil premium strategy statement is available here: [Pupil Premium | Hardy Mill](#) This strategy will be published on our website by 31st December each year enabling us to take the needs of our new

intake into account. Spending decisions will be informed by a range of evidence as outlined in the conditions of the grant. It is recommended by the DfE that this plan take a three year approach focusing on high quality teaching, targeted academic support and wider strategies. This three year strategy is reviewed and an updated strategy published each academic year.

Diagnostic assessment is crucial for understanding the specific elements of education that our children are finding challenging , the EEF Guide to the Pupil Premium and menu of approaches are used to support school in this process. [The EEF Guide to the Pupil Premium | EEF \(educationendowmentfoundation.org.uk\)](https://www.educationendowmentfoundation.org.uk)

In making decisions on the use of the Pupil Premium we will:

- Ensure that Pupil Premium funding is used primarily for its intended purpose.
- Use latest evidence based research on proven strategies which work to narrow the attainment gap and adapt these as necessary to meet the needs of our pupils.
- Be transparent in our reporting of how we have used the Pupil Premium, so that our parents, interested stakeholders and Ofsted are fully aware of how this additional resource has been used to make a difference.
- Encourage uptake of FSM by working proactively with our parents and carers in a sensitive and supportive manner to remove any stigma or potential barriers attached to claiming FSM. In doing so, we also recognise the vital role that parents and carers play in the lives of their children.
- Be mindful of the fact that eligibility and take up of FSM does not equate with pupils being considered to be of 'low ability' because of their social circumstances.
- Ensure there is regular monitoring and evaluation in place to account for the use of the Pupil Premium, by the school and governing board.
- Recognise the fact that FSM pupils are not an homogeneous group and cover a wide range of needs. As such the strategies we use to raise attainment will take these group and individual needs fully into account.
- Use high quality teaching and learning as the preferred way to narrow the gaps in attainment in the first instance. We will also use high quality interventions with proven evidence of impact to assist our pupils who need additional support in a time limited way.
- Use the Pupil Premium for all year groups not just those taking examinations at the end of the year.
- Be mindful that we can use the funding to support other pupils with identified needs such as having a social worker or act as a carer. We know that using Pupil Premium funding to improve teaching quality is the most effective way to improve outcomes for disadvantaged pupils. By doing so, we will inevitably benefit non-eligible pupils as well.

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra one-to-one or small-group support by either a teacher or TA. This creates smaller class sizes in some lessons for the whole class.
- Employing extra teaching assistants.
- Running catch-up sessions and small group tuition after school (for example, for children who need extra help with maths or literacy). We will also access the Recovery funding to support this.
- Subsidising educational trips and music lessons.

5. Eligible pupils

The pupil premium is allocated to the school based on the number of eligible pupils in Reception to Year 6. Eligible pupils fall into the categories explained below.

5.1 Ever 6 free school meals

Pupils recorded in the most recent October school census who are known to have been eligible for free school meals at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance).

This includes pupils first known to be eligible for free school meals in the most recent October census.

This also includes pupils with no recourse to public funds (NRPF). The government has permanently extended FSM eligibility to include children in all households with NRPF.

It does not include pupils who received universal infant free school meals but would not have otherwise received free lunches.

5.2 Looked-after children

Pupils who are in the care of, or provided with accommodation by, a local authority (LA) in England or Wales for at least 1 day. Allocations will be provisionally based on the children looked-after data return in March of the previous year, and then confirmed in December of the current year based on the children looked-after data return in March of the current year.

5.3 Post looked-after children

Pupils recorded in the most recent October census who were:

- Looked after by an English or Welsh local authority immediately before being adopted, or who left local authority care on a special guardianship order or child arrangements order
- In state care from outside England and Wales before being adopted

5.4 Ever 6 service children

Pupils recorded in the most recent October census:

- With a parent serving in the regular armed forces
- Who have been registered as a 'service child' in the school census at any point in the last 6 years (as determined by the DfE's latest conditions of grant guidance), including those first recorded as such in the most recent October census
- In receipt of a child pension from the Ministry of Defence because one of their parents died while serving in the armed forces

6. Roles and responsibilities

6.1 Headteacher and senior leadership team

The headteacher and senior leadership team are responsible for:

- Keeping this policy up to date, and ensuring it is implemented across the school
- Ensuring all school staff are aware of their role in raising the attainment of disadvantaged pupils and eligible pupils as defined in this policy

- Reporting on the impact of pupil premium spending to the governing board on an ongoing basis

- Identifying the eligible looked-after children and informing the local authority
- Making sure methods for allocating and spending ensure that looked-after children benefit without delay
- Working with each looked-after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way
- Demonstrating how pupil premium funding is raising the achievement of looked-after children

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.

7. Monitoring arrangements

This policy will be reviewed bi-annually by the Head teacher. At every review, the policy will be shared with the governing board.
